**DISCUSSION OF SUBSTANCE OF TELEPHONIC INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Examiner Deak telephoned the undersigned on August 18, 2004 to discuss this application. The comments below discuss the substance of the telephonic interview.

Examiner Deak telephoned the undersigned to discuss minor wording changes to independent Claims 1 and 10 to place the application in allowable form. The changes discussed with Examiner Deak were as follows.

Claim 1, line 17: delete "endowed with a function of increasing" and insert therefor --programmed to increase--.

Claim 10, line 17: delete "endowed with" and insert therefor --programmed to--.

Claim 10, line 18: delete "a function of".

Claim 10, line 19: delete "increasing" and insert therefor --increase--.

Claim 10, line 23: delete "a function of increasing" and insert therefor  
--increase--.

As discussed with Examiner Deak, the proposed changes noted above are not intended to narrow the claim scope, but rather were suggested solely to define in a more positive manner the previously claimed subject matter by noting that the claimed controller is programmed to carry out the recited subject matter.

On August 19, 2004, the undersigned telephone Examiner Deak and approved the aforementioned changes to Claims 1 and 10, thus placing the application in allowable form.

Should any questions arise in connection with this application, the undersigned respectfully requests that the undersigned be contacted at the number indicated below.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
